# Quarrix
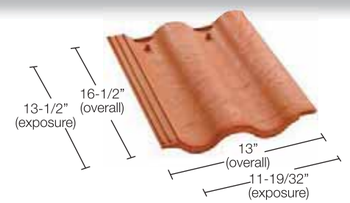
## Technical Specifications & Accessories

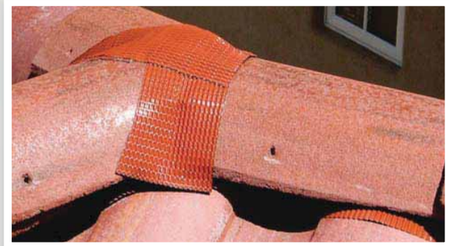
## Specifications

- ***92 Tiles Per Square***
- ***3 Squares Per Pallet***
- ***300 lbs. Per Square***

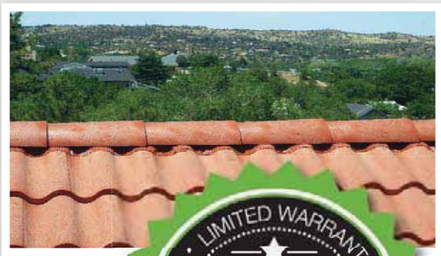


## Quarrix Tile Accessories

*Quarrix "flow-thru" structural battens provide long-term superior performance for tile roof applications. They are virtually crush proof, allow air to circulate and water to drain freely underneath tiles.*



***Tile Blocking and Tile Flashing:*** *Weather blocking and flashing for a variety of problem areas on the roof. It's a great alternative to mortar required at head wall, hip, ridge, and gable ends of a roof.*



## 50-YEAR LIMITED WARRANTY

*Backed by a 100-year-old company*

Independently Tested & Certified

- **ASTM G155-2000 Hours Xenon Weathering**
- **ASTM D638 - Tensile**
- **Wind Resistance, Uplift Bend, Penetration**
- **ASTM E108 - Class C Fire**
- **ASTM D635 - Rate of Burn**
