How To Extend Pick Up And Delivery Lead Times

Occasions may arise when you cannot meet your standard Pick Up and Delievry times and need to extend them for the day. There are 2 different methods for editing Pick Up and Delivery Lead Times.

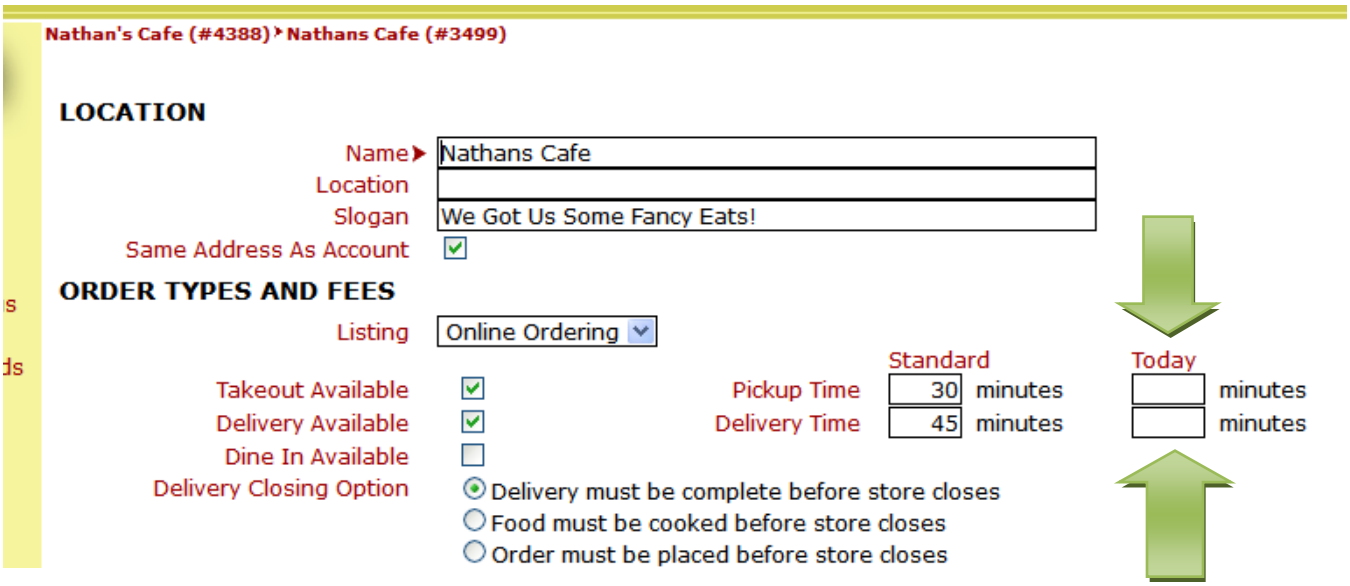
METHOD #1

Log into Letsget Web Portal:

https://admin.letsget.net/Private/Welcome.aspx
If you need your login information again, please call 800-750-3947 or log a support ticket at http://www.granburyrs.com/support/login.php

1. From the side navigation menu select **Locations and Menus**. Then click Edit.

2. To extend your lead times for the day, enter the extended lead times into the boxes under Today.



3. Scroll down and click on the blue Save button.

METHOD #2

1. From the LetsGet Monitor in your restaurant, change the time in the 2 boxes under Today then click the Update button.
