FRESCO

Earthy tones swirl and merge with Fresco from The Homer Laughlin China Company®. Created in collaboration with renowned studio potter John Britt, Fresco has a one-of-a-kind matte-finish glaze that incorporates multiple stains in the process. Complement the collection with Fresco Hues, a new series of Fresco bowls with the surprise of vibrantly colored interiors in robin's egg blue, goldenrod, and lemongrass. Each piece combines durability with the look and feel of a handcrafted original.

The addition of Fresco Hues takes Fresco in an exciting new direction. The counterpoint of striking colored interiors on the new Fresco Hues bowls—the icy coolness of blue, the citrusy sharpness of lemongrass, and the comforting warmth of goldenrod—will add depth, dimension, and personality to the dining experience.
