Jam files in Google Classroom

1. Create the lesson you want to assign on the Jamboard or your tablet
2. Sign into Google Classroom as a “Teacher” and select a class.
3. Select ‘Classwork’ from the menu-bar at the top
4. Press + to pull up the menu and select ‘Create Assignment’
5. Fill in your information i.e. title, instructions, and due date
6. Select the Google Drive icon to open the file browser
7. Select the Jam file to attach to the assignment and click ‘add’
8. Set whether the file can be “edited” or just “viewed”
9. Select “assign” (or other options i.e. schedule or assign draft)

Jamboard Tip:
Keep your Jam assignments organized by naming your Jam session from the Jamboard or your tablet before closing
