techstar UNIVERSITY

2019 TRAINING CALENDAR

March - May

Through TechStar University, TechStar offers technical training courses on the various industrial automation solutions that are offered. These hands-on courses are continually taught in the company's technical training centers in Deer Park (Houston), Dallas, Corpus Christi and Tulsa. These courses can also be taken onsite to any location and can be tailored to meet the specific needs and applications of any customer. Contact us for more information.
