That's been our approach for last 35 years.**

Here at Brennan, we pride ourselves in being your premier partner in Texas remodeling and home improvement. Brennan understands that "one size does not fit all" when it comes to our clients' needs, which is why we take a consultative approach to each project to find the remodeling solution that's best for you. Here are the top seven things you need to know about Brennan:

We've been here before.

Thirty-five years later, the Brennan family has reached over 50,000 happy clients and growing. With a longstanding history in this industry, we've built a vast network of relationships with manufacturers, suppliers and design consultants. Brennan services are backed by over three decades of relationship and professional experience.

We have a track record of happy clients.

With over a third of our business based on client referrals, there's a good chance you were referred to Brennan by someone you know. Visit sites like Angie's List, GuildQuality or Google+ and read through our customer reviews. You'll find several third-party recommendations for Brennan's quality of service.

We offer 100% financing.

We offer multiple finance programs to meet your needs. No interest, no payments for 18 months is a popular plan among Brennan clients.

We pay you for referrals.

Your referrals are important to us, which is why you earn \$100 for every new client you send our way. We're strong believers in spreading the love.

We offer the best price, guaranteed.

With dozens of product lines, you're guaranteed to find the right products for your home. You're also guaranteed them at the best price. Provide us with a written estimate from a competitor, and we will beat their bid by \$100 dollars on a comparable product, every time.

We ask you for reviews.

Your satisfaction is more important to us than anything else. That's why we are constantly asking for your feedback and reviews. Brennan knows that we can serve you better by taking the time to listen to what our clients have to say.
