

Windjammer™

Success in a highly competitive market requires capitalizing on every opportunity

THE EXPERIENCE

Enter the competitive world of Windjammer, where you and your fellow purveyors of high-end sailing products vie for an edge in an exceedingly active marketplace. The demand for your products is high, but market fluctuations will affect your value over time. In this highly animated learning experience you must acquire raw materials from other teams, manufacture your specialized products and sell them when the market demand is highest. But profit margin is not the ultimate measure of success in this nautical landscape – true victory is a performance beyond expected results. In order to capitalize upon every opportunity, your negotiation, relationship – and team-building skills will be tested and honed. Can you prosper and keep the wind at your back?
