

TOUGH TALK

BULK ORDERS AND BRANDED OPTION

Give your team and members of your organization this valuable learning tool on how to disarm difficult conversations. Bulk quantities of *Tough Talk* can be ordered with free shipping and other volume discounts.

Purchase copies for participants of your organization's workshop, retreat, or conference to extend the learning from a session facilitated by Clearwater Consulting experts.

Brand the book to your organization with a custom foreword and your logo in bulk orders of 100 or more.

"I applaud Tough Talk for providing very clear and pragmatic advice that both employees and leaders can apply. Too often, books of this nature are targeted at management. Employees are left with minimal tools and tips to help them address challenges they face on a regular basis. Tough Talk does an excellent job of providing very accessible tips for both populations."

Thana Sakas, Vice President, Talent Asset Management , Benchmark Brands, Inc.
