

# SPARCS™

## Single Plan & Accountability Report Card Suite

**LCAP Template Included!**

## State of the art accountability reporting

SPARCS™ makes creating the California Single Plan for Student Achievement (SPSA) and School Accountability Report Card (SARC) easy by giving site councils and school leaders the tools they need to examine past achievement trends, set clear goals, allocate resources appropriately, and monitor progress.

## SPARCS™:

- Automatically loads state-level SARC data
- Includes a free Spanish SARC template with translation services available
- Gives district personnel a bird's-eye view of SPSA implementation status
- Links budgets, expenditures, and resource codes to create budget reports by school goal
- LCAP Template included
- Provides a portfolio of site and district specific charts for analysis and use in the SPSA
- Includes a U.S. and CA Department of Education online resource library for linking goals with research-based best practices
- Allows district leaders and School Site Council members to interact via an exclusive Comments feature
- Web-based for 24-hour access
