We are including both a Hot Air Balloon Ride for Two People and a Hot Air Balloon Ride for Four People from FundraisingRides in our auction.

FundraisingRides offers special non-profit pricing at 40% off the retail value. The minimum bids for these rides have been set at the non-profit pricing. The minimum bid for the balloon ride for two is \$240—*retail value \$400*—and the minimum bid for the balloon ride for four is \$480—*retail value \$800*. There is no obligation, we only purchase the rides if they sell in our auction, and we keep all proceeds above the minimum bids.

There is NO limit to the number of balloon rides we can purchase at the non-profit pricing. We can offer the rides to the 2nd and 3rd place bidders (or more, if appropriate) at the winning bid. They will be delighted to have the option of getting the ride, and **we can double or triple our proceeds!**
