956-020	230-252-01	Field Repair Clamp - Two Ear (24 each)
956-021	230-252-02	Field Repair Clamp Tool (1 each)
956-022	230-252-03	Hose Mender - Double Male Barbs (6 each)
964-001	230-132-35	1/8" Double Male Nipple (6 each)
964-002	230-132-36	1/4" Double Male Nipple (6 each)

PSI PolyAirCable™ is color identified. One line is yellow, the other is gray. The yellow is always used as the air supply to the FeatherTouch™ deadman control. Upon the Operator's command, the full capacity of the yellow line is directed through the gray line to operate the remote control valves. To guarantee correct installation, 1/4" fittings are used on the yellow line, 1/8" on the gray line.
