Newest Executive to Join the LNS Research Global Quality Advisory Council (GQAC) Announced

Jamie Wright, Asst. VP of Global Quality, Safety, and Service at Discount Tire

Cambridge, MA [LNS Research](http://lnsresearch.com), The Global Quality Advisory Council (GQAC) is excited to announce one of the newest members to join: Jamie Wright, Asst. VP of Global Quality, Safety, and Service at Discount Tire.

Welcoming the newest member, Matthew Littlefield, President and Principal Analyst at LNS Research mentioned, "We are excited about having Jamie as a part of the council. The goal of the council is to bring quality leaders from diverse backgrounds together to share best practices and learn from the research".

Jamie is also enthusiastic about his participation in this network. While speaking with him regarding his expectations for the upcoming GQAC meetings he stated, "I am looking forward to my engagement with the Global Quality Executive Council and learning from the research as well as the experiences of my peers in the industry. With my role as the Asst. VP of Quality, Safety, and Service for Discount Tire, I am always looking for best practices that I can from in order to provide our customers with world class quality services. The council will be a good destination to gain some of those insights".

The Global Quality Advisory Council (GQAC) exists to help members address quality challenges through though provoking research, benchmark data, and networking opportunities. The GQAC is unique to the industry with its focus on executives managing global quality.
