

AMERIVAN by Eldorado

Setting new standards for quality engineering, creative design and meticulous craftsmanship, the Amerivan provides practical solutions to today's mobility challenges.

The Amerivans sturdy aluminum power fold-out ramp features a dependable motor drive for effortless, push-button operation. Door, ramp and kneeling are all actuated with the simple touch of a button.

Inside, Q-Straint tie-downs provide greater security and are located for maximum value. Wide passenger side and driver side sliding doors offer convenient, easy access for all. Amerivan conversions feature lowered rear seats and front seats which can be easily removed.

Popular options:

- Manual fold-out ramp
- 6-way power seat base
- 2 passenger fold-away middle
- Slip resistant vinyl flooring
- Power parking brake

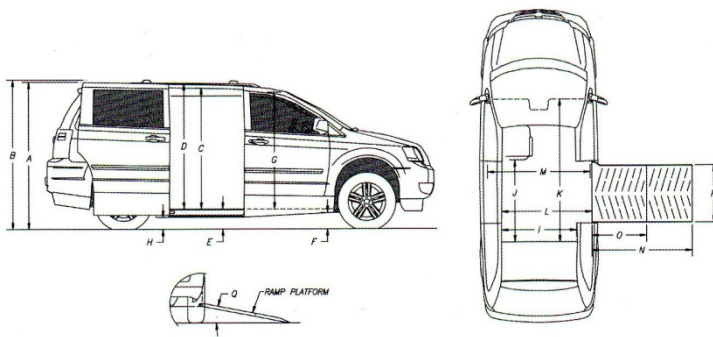

The Amerivan is built to last.
In fact, the Amerivan is the
only lowered-floor minivan
you can buy with all stainless
steel floor on all Dodge
models.
