

GlobalCollect Payment Solution for Zuora

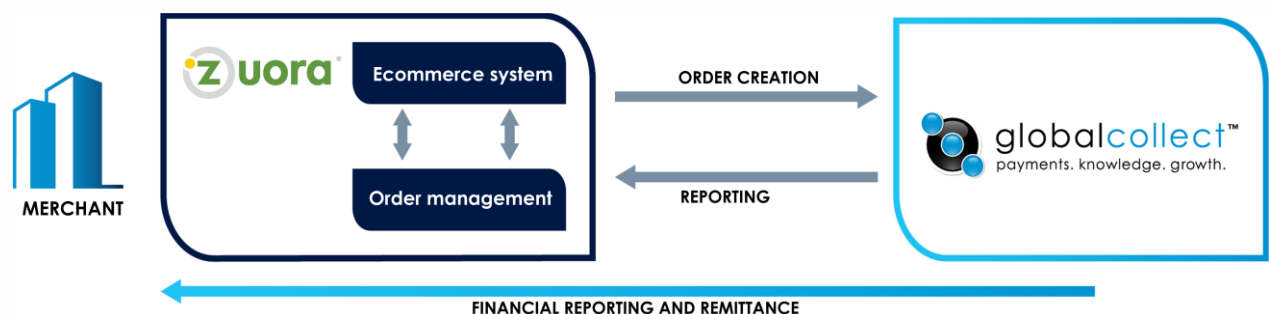

By combining Zuora and GlobalCollect you create a global e-commerce solution which is scalable, tried and tested by some of the largest media companies in the world. Providing recurring payment processing and management in one solution.

Zuora

Zuora provides an online subscription billing and management platform, delivered via a SaaS model, for companies to build, and operate their subscription and recurring revenue businesses. Zuora's subscription management platform allows to focus on top-line revenue growth, operational efficiency, and automation. Zuora offers the Z-Commerce Platform, which includes Z-Billing and Z-Payments, the first and only complete billing solutions created specifically to help companies build, manage, and grow their subscription business. Z-Billing and Z-Payments make it easy for you to quickly launch new products, scale operations, and automate recurring billing and subscription payments.

GlobalCollect

GlobalCollect is the most knowledgeable global Payment Service Provider in the world, processing more than US\$14 billion in international e-commerce payments per year for more than 500 of the world's most recognized e-commerce brands in the digital goods and services, travel, retail and video gaming industries, among many others. With nearly two decades of payments experience, we enable our clients to efficiently and securely accept payments from more than 170 countries in more than 170 currencies, using in excess of 150 local payment methods including all major credit and debit cards, direct debits, bank transfers, real-time bank transfers, eWallets, cash at outlets, prepaid methods, checks, and invoices.

Creating value together

- Powerhouse of recurring billing – integrated solution to manage your billing E2E.
- Ease of entry into foreign markets – joint expertise in global payment processing.
- Collaborative industry experts – with joint goals of establishing the best solution to meet merchants' requirements.
- Understanding of business challenges and opportunities – in media & digital goods transactions and payment processing, across multiple business models.

The integration

Zuora has built the integration into GlobalCollect's Merchant Link solution to support a variety of payment products through the GlobalCollect platform. Updates to include additional functionality will be driven by market demands and pre-sales activities.
