

F.A.Q. – Tanaza Partners

To which customers can I sell Tanaza?

You can sell Tanaza to end users: offices, public places, car dealers, schools, shops, beauty centres, retailers, hotels, etc.

If you want to sell Tanaza to other resellers / solution providers, you should become a distributor.

Can I start free trials for my customers?

Yes. You can start a 15-days free trial for any new prospect or customer.

Go to your cloud.tanaza.com account and create a new sub-account. You should use a valid e-mail because you will receive an activation e-mail.

If you don't see the button to create a new sub-account, contact us at support@tanaza.com.

Can I use the Tanaza Partner Logo on my proposals?

Yes. You can get it from the Partner Portal. You can use it on your business cards, on your website, etc.

You cannot change it without a specific permission from Tanaza.
