

Color By *Nisha*

Interior 1

These colors remind us of ocean and breeze, thus this combination would help create a calming yet open interior space wherever used.

Interior 2

This classy combination would help create a modern and contemporary living space. Ideal for bedrooms, living and study rooms.

Exterior 1

This harmonious combination would make any house look warm and inviting. Ideal for Colonial, Bungalows, and Arts & Crafts style houses.

Exterior 2

This Gray neutral will be balanced by the bright pop of Portsmouth Spice and accented by white. This combination would work well for Colonials and Cape houses.
