

5 Secrets to Spectacular Student Engagement

How Can You Get **99%** Participation?

600 Students

Bring your own device

Dr. Colin Montpetit of the University of Ottawa introduced a student **engagement** solution into his course and saw participation and learning outcomes **soar**.

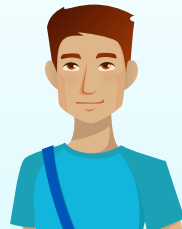

Digitize Your Presentation

Add Questions
Every 3-5 Slides

Gauge Understanding
in Real-Time
Using Dashboards

Enable Digital Notetaking
Alongside the Content

Make Participation Count
Gamify Your Class

...so your students can:

Participate
on laptops, tablets
and mobile phones
(BYOD)

Answer Anonymously
Even the shyest
students participate

Use the Confused Button
to send an
instant S.O.S.

Take Notes
on more than
50% of slides

Earn Points
while learning
from peers

ACHIEVE BETTER OUTCOMES

9%
increase
in As & Bs

4-7%
decrease in
Cs, Ds, Es & Fs

3-10%
average increase
in final exam scores

30%
learning gains measured between
pre- and post-test assessment
