# ACOs: READY OR NOT...

What Independent Physicians  
should know about  
Accountable Care Organizations

## Gain keen insight into this issue by learning:

- What is an ACO?
- How would an ACO impact your practice?
- What physicians need to know if they participate. What are benefits/detriments?
- What physicians need to understand about the key terms of the ACO agreement
- What should physician look for in a good ACO and what will be required of them?
