Dear Charlie:

I just wanted to thank you for the wonderful services I have received from E & K.

When I purchased my home about six years ago, I called E & K to "shop around" for rates for homeowners insurance. I then received insurance through Great American. Through some fault of my bank, my homeowners was not paid and your agency (specifically, Karen Van Hise) settled the entire matter with my bank (no telephone calls were necessary on my part).

Just recently, I decided to use Great American for my car insurance. Karen Van Hise came to American Vitamin Products (on her day off), filled out all the forms, and I was immediately insured with "no hassle".

Again, thank you for the superb services. It's nice to know that "personalized" service is still in existence!

Very truly yours,
