Dear Christine,

I would like to personally thank you for all your help this past week. You went out of your way to assist me in regaining auto insurance, even though it wasn't going to be through you or your agency. I have been highly educated this past week in the operations of insurance agencies. I never realized how difficult purchasing auto insurance could be. I now understand why a lot of insurance companies would prefer not to sell auto insurance in the state of New Jersey. I think it is time that I moved to PA.

I would like to conclude this letter by saying if you are ever in the process of planning a party or a banquet...please give me a call. I will take care of you. This is my way of thanking you...the best possible way I can. I have enclosed my business card for your file. Once again...thank you you have been a great help this past week.

Yours Truly,

Robert H. Parr
