Features

KaVo's Superior Performance comes standard on all EXPERT series handpieces

- Superior surface coating for improved tactile feedback
- Multi-port spray (E679 L features 4-port spray and E675 L has a 3-port spray) and exclusive replaceable micro-filter which increases water spray quality and avoids clogged spray ports
- Dent resistant heads enhance reliability and durability for years to come
- New improved design-E679 L (Head height: 13.6 mm, Head diameter: 12.5 mm) and E675 L (Head height: 12.2 mm, Head diameter: 10.8 mm)
- * 2.5 year warranty if maintained with KaVo QUATTROcare, if not maintained with QUATTROcare the standard warranty of 2 years applies

Benefits

Superior Cutting Performance

- Handpieces have chuck strength of 30N for excellent concentricity which delivers superior cutting performance and smoother preps

Patented KaVo design for easy access

- Improved visibility and freedom of movement through optimized head height, head diameter and the patented KaVo 100° head angle makes your work easier

Quiet and Powerful

- Delivers high power with low noise level – increases your efficiency during preps and is comfortable for you and your patients

KaVo QUATTROcare Plus

Protect your investment with KaVo's Automatic Handpiece Maintenance System. Prior to every sterilization, the unique cleaning and maintenance mixture of KaVo QUATTROcare Plus Spray produces highly effective cleaning foam inside the instrument. The automatic dispenser delivers the precise amount of cleaner and lubricant time after time, leading to longer handpiece life and less repair needs.

Part No. 1008.3805
