

UPS ROAD CODE

safe driving for teens

The purpose of this training is to prepare teen drivers for the open road by providing them with knowledge of:

- **Distracted Driving**
- **Consequences of Hazardous and Distracted Driving**
- **At Risk Driving Behaviors**
- **Aggressive Driving and Road Rage**
- **UPS Road Code 5 Viewing Habits**
- **UPS Road Code 10 Point Commentary Checklist**
- **Demonstrate and Practice Safe Driving Skills on an Interactive Driving Simulator**
- **Hazard Identification Program**

This program is for teenagers age 13-18. Class size will be limited to 12 participants per session and ran by a trained UPS facilitator.

Cost of program: Free

Commitment Required: 4 hours over 2 days
