Location details:

Located in Norwalk, Southern California's prime warehousing district. Just seconds from freeways I-5 and I-91. All major southland arteries – I-405, I-105 and I-710 – just minutes away. We are centrally located within a short drive to the ports of Los Angeles and Long Beach and LAX.

Products handled:

Food and apparel products distributed to supermarket chains and mass retailers.

Value-added services:

Kitting. Inspection and rework. Inventory control. Online performance metric reporting.

Other facility details:

Stringent standards in safety, security and sanitation. Received superior cleanliness rating from the American Institute of Baking for food storage.
