Puppy Kindergarten

Next Class Begins April 14th @ 10AM!

It's never too early to start the learning process. This 6 week course is for puppies 2 - 5 months of age. The class is designed to provide a solid foundation for good behavior by introducing commands such as watch me, sit, walk nicely on leash, stay, down, no jumping, and much, much more. It also allows the puppies socialization/play time that is critical to their development. Positive reinforcement, exposure to mental and physical stimulation and fun, fun, fun is what the class is based on. Challenging puppy behaviors and problems are also addressed. If you own a puppy, this class is a must!

First class is a 30 - 45 minute orientation for owners without their pups.

Lodge and Learn

Janry's Lodge and Learn option is available to all guests, lodging or daycare. A trainer will work with your dog on a targeted issue, such as walking nicely on a leash and basic commands: sit, stay, leave it, and down.
