**BAYADA CFO Tom Sibson Receives Executive Management Award
from *SmartCEO* Magazine**

Philadelphia, PA — March 14, 2013 — Chief Financial Officer Tom Sibson received an Executive Management Award from *SmartCEO* magazine for his outstanding contributions to the growth of BAYADA Home Health Care, a leading provider of home health care and hospice services for people of all ages. More than 300 people attended the ceremony at which he received his award in Philadelphia at the Crystal Tea Room.

The Executive Management Awards recognize influential leaders for their creative management vision, leadership philosophy, innovative strategy and undeniable work ethic.

“All too often, senior leaders in an organization become unsung heroes,” said Jaime Nespor, group publisher of *SmartCEO* magazine. “The 2013 EMA winners are not only taking their companies and coworkers to new heights, but they are also leaders within the communities where we work and live.”

Since Sibson joined BAYADA in 2005, the company’s revenue has more than doubled. He led the financial and operational integration of several acquisitions, developed an annual and quarterly budgeting process, and improved the functionality of the financial data system. Sibson also initiated and co-led the development of the BAYADA operating model, which is the foundation for the company’s vision of future growth and sustainability.

Sibson also received the CFO of the Year Award from *NJBiz* magazine in 2012 for his contributions to the New Jersey’s economic growth and stability.
