

MediGain Acquires Sound Management and Billing

MediGain, LLC. One of the nation's premier medical service providers, acquires Seattle's Sound management Billing Service, Inc.

Plano, TX - March 17, 2014 - MediGain, a global full-service **medical billing and reimbursement**(revenue cycle management) and healthcare analytics company, announced today that it will acquire Sound Management and Billing Service Inc. (Sound Management) a Seattle, Washington based company, specializing in revenue cycle management (RCM) and practice management services. Sound Management currently services physicians throughout Northwestern United States.

"The addition of Sound Management is another step in our overall strategy of growth," said Greg Hackney, CEO of MediGain. "We will continue to seek out and acquire additional companies that share our philosophy of quality and service as we also continue to grow organically."

"This acquisition gives us a West Coast location to provide even better service to our clients in the Pacific Time Zone.," said **Clint Hughes, VP of Marketing** for MediGain. "The terms of this acquisition will be kept confidential at this time."
