ENGAGING, STRATEGIC
# READING SOLUTION

VOYAGER SOPRIS
LEARNING™

ENGAGE, MOTIVATE, AND INSPIRE STUDENTS

Passport Reading Journeys™ (PRJ) is a proven literacy program for students in grades 6–12 who require intervention beyond the core. This new release, which incorporates innovative technology, is designed to reflect rigorous English Language Arts (ELA) performance expectations.

With this new release, *PRJ* provides: (1) support for teaching the skills needed for college and career, (2) multiple implementation options, with print materials and digital supports, and (3) new, innovative technology components—ReadingScape and Power Pass—and Student and Teacher Centers to access all online components.

Updated to Prepare Students for Real-World Learning

- Scope and sequence to support teachers in delivering instruction aligned to increased expectations
- Inferential questioning to help students make connections between their background knowledge and what they're reading
- Online test-readiness component and evidence-based comprehension quizzes to prepare students for high-stakes assessments
- Student anthologies with engaging informational and literary text, such as biography, poetry, and fiction passages
- Online extension lessons that provide grade-level text with increasing complexity
- A focus on "Reading in the Real World" and "Exploring Careers" (in Level III)

Implementation Flexibility—Print, Blended, Digital

Passport Reading Journeys provides educators with implementation flexibility—implement with print materials, a combination of print and digital, or 100% digital. When educators implement *PRJ*, they automatically gain access to eBooks. The optional Edplicity platform provides increased options for sharing, tagging, and storing content.

With eBooks teachers can (included with purchase):	With Edplicity™ teachers can (optional):
Access all *PRJ* materials online	Access all *PRJ* materials online
Grade assignments and provide immediate feedback	Search and tag *PRJ* content for specific standards alignment
Access embedded multimedia links, search instructional content, view pages as thumbnails, and view analytics—students can see the time they spend on an assignment in text and percent complete	Upload multimedia instructional supports from the web—videos, podcasts, images, and more
View students' highlighting, notes, and time on task	Collaborate with other teachers to share instructional ideas
Collaborate with students to differentiate instruction and provide immediate online support	Collaborate with students to differentiate instruction and provide immediate online support

Innovative, Interactive Technology Components Increase Engagement

Passport Reading Journeys blends teacher-led instruction with technology and multimedia resources to increase efficacy and student engagement. Online components support and enhance the teacher-led instruction and provide students with interactive online learning and practice opportunities.

All technology components are accessed through one Student Center and one Teacher Center, simplifying planning and implementation.

ReadingScape online library provides technology-enhanced literary and informational selections that **engage students in independent reading.**

Power Pass test-readiness passages **prepare students for high-stakes exams.**

VocabJourney provides **extra practice in vocabulary and comprehension**; each corresponding lesson is linked at point of use in the student and teacher eBooks.

SOLO® (Strategic Online Learning Opportunities) technology is provided to **reinforce fluency, vocabulary, and comprehension instruction.**

VPORT® online data-management system helps **monitor progress and adjust instruction.**

ACTION-PACKED ADVENTURES
MOTIVATE ADOLESCENT READERS

While major enhancements have been made, including digital implementation capability through Edplicity and eBooks, the best parts of *Passport Reading Journeys* have been preserved: high-interest, engaging content; intuitive lesson design; integration of the online, individualized skill-building components *VocabJourney* and SOLO; scaffolded instruction; emphasis on college and career readiness; a comprehensive assessment system; and online data management and reporting.

Visit www.voyagersopris.com/prj to access:

- Complimentary lesson samples
- ReadingScape online library video overview
- Video tour of Edplicity and eBooks
- Direct correlations to specific state standards
- Flexible implementation options
