

## 2014-15 System Requirements

Voyager Sopris Learning™ applications are tested and certified to operate on computers with the following recommended configurations. For the highest quality user experience, we recommend a computer system with one of the configurations listed below, a high-speed Internet connection, and sound capabilities.

	PC	MAC
Operating System	Windows: 7, 8 Google Chrome OS	10.6+
Internet Browser	Internet Explorer 9.0+ *Google Chrome *Firefox	Safari 5.0+ *Google Chrome *Firefox
Monitor Resolution	1024 x 768+	1024 x 768+
Cookies Enabled	Yes	Yes
JavaScript Enabled	Yes	Yes
PDF Reader	Acrobat Reader 9.0+	Mac PDF Reader Acrobat Reader 9.0+
Adobe Flash	**10.3+	**10.3+

\*Note: The current version of Google Chrome or Firefox is required.

\*\*Note: The current version of Adobe Flash is highly recommended. Version 11+ is required for Digibooks

### Changes for 2014-15

- Windows XP and Windows Vista are no longer supported
- The minimum version for Internet Explorer is now 9.0+
- Google Chrome and Firefox both require the current version

### iPad applications are available from the iTunes App Store for:

- eBooks – (requires iOS 6.0+)
- eLibrary – Voyager Sopris Learning (requires iOS 6.0+. Also available for iPhone.)
- LANGUAGE! Live Recorder (requires iOS 6.0+)
- Ticket to Read – Clubhouse (requires iOS 6.0+)
- We Can Learning Zoo (requires iOS 4.3+)

### The following web-based applications are supported using an iPad with iOS 6.0+ and the current version of Safari browser for iPad.

- LANGUAGE! Live (the LANGUAGE! Live Recorder app is required)
- Power Pass
- ReadingScape
- VmathLive
- VPORT (except for Flash based and video components)
- We Can Assessments

### Chromebooks:

- Voyager Sopris applications are supported on Chromebooks. However, because of the wide variety of hardware configurations the user experience may vary. Applications are tested and certified to operate on the following Chromebook models.
  - Samsung XE303C12-A01US
    - Display: 11.6 inch

## 2014-15 System Requirements

- Max Screen Resolution: 1366 x 768 pixels
- Processor: 1.7 GHz Exynos 5000 Series
- RAM: 2 GB DDR3L SDRAM
- Hard Drive: 16 GB eMMC
- Acer C710-2834
  - Display: 11.6 inches
  - Max Screen Resolution: 1366 x 768 pixels
  - Processor: 1.5 GHz Intel Celeron 1007U
  - RAM: 2 GB DDR3
  - Hard Drive: 16 GB
- *It is highly recommended that customers test their Chromebooks with the Voyager Sopris applications they intend to use.*

### For Edplicity Users:

- Chrome is the preferred browser for PCs and Safari 5 is the preferred browser for Macs
