

Retail Management Solutions

The Leader in Pharmacy Point-of-Sale Innovation

Successful pharmacies rely on RMS systems.

More independent pharmacies choose RMS POS systems than any other — for profitability, efficiency, and reliability.

Ultra-Lite

Enables quick IIAS compliance, so you can accept FSA cards immediately. This entry-level RMS solution begins at under \$6,000, including hardware.

Star-Lite

Designed with the clinic and apothecary in mind. Experience the powerful benefits of point-of-sale technology at an affordable price.

Star-Plus

Everything you ever wanted from a POS system! The most robust pharmacy POS system in the industry.

Star-Link Enterprise

Real-time communication from site to head office gives you up-to-the-minute sales history, inventory levels, and transaction detail in each of your stores.

Whatever the size of your pharmacy, we have you covered.

Retail Management Solutions has become the industry leader in pharmacy point-of-sale innovation. Our centralized focus on pharmacies allows us to continually respond to the needs of our ever-changing marketplace. We are committed to offering products and services on the cutting edge of technology, like our latest mobile technology, EvolutionPOS™.

Our trainers and support staff understand the independent and outpatient pharmacy industry, because that's all we deal with. When you call our 24/7 toll-free support line, your support representative knows and understands the environment in which you are working.

RMS has scalable solutions that meet your needs, whether you own a single-register apothecary, a 15-register superstore, or multiple locations.

Contact us today so we can discuss your needs and see how our solutions can make you the most profitable and customer centric in the industry.
