## HONKIN' BIG NEWS!

### HELP THE FOOD BANK AND ENTER TO WIN A FREE PAIR OF TICKETS TO SEE THE BEACH BOYS!

The Lacey Food Bank is looking for our help to "re-stock" their shelves for the spring & summer. "This time of year, people tend to spend more time on outdoor family activities and may not think as much about the needs of the food bank. Our donations decrease and right now we could use some help," says Lacey Food Bank co-director Laura Carocchia.

The good news is that the Protection Team at Hauswirth & Sons Insurance came up with an idea to give the food bank a helping hand. We are donating two (2) tickets to the June 27th Beach Boys concert at the PNC Bank Arts Center in Holmdel. The outdoor theater was formerly known as the Garden State Arts Center. This concert is the Beach Boys' 50th Anniversary Reunion Tour.

These are VIP Tickets with VIP Parking Status, First-Class Seats, and access to the VIP Club. The television show, CBS SUNDAY MORNING, aired a segment on April 29th about the history of the Beach Boys; outlining their rise and decline and now their return. Make no mistake about it...

**THIS PACKAGE IS WORTH MORE THAN \$500.00!!!**

So, what's the catch? Real simple! We are looking for donations of non-perishable food. Along the lines of a good-sized grocery bag (or bags!) of food dropped off at our local office at 332 Route 9. For each donation, your name will be entered into the contest.

Our office will also be open on Saturday May 19th and Saturday May 26th from 10AM until Noon for those not able to make the drop off during the week (normal business hours are Monday to Friday, 9:00AM to 5:30PM).

If you are unable to make a grocery bag donation, The Lacey Food Bank will be happy to accept a monetary donation. To qualify for the drawing, we'd like to ask for a minimum donation of \$20.00 by check, made payable to The Lacey Food Bank and mailed to us at Hauswirth & Sons Insurance, PO Box 1006, Forked River, NJ 08731. If you send a check, we will still enter your name in the drawing.

## FAMILY NEWS!

Margareth and Richard are pleased to announce the marriage of their youngest son, Michael Eric Hauswirth, to Erin Morris of Tampa. Their wedding took place on March 31st.

We had a picture perfect weekend for the event that included a family B.B.Q., a wedding on the beach, and a reception on a boat that spent the evening touring around Tampa Bay.

Michael and Erin just returned from a well-deserved and action-filled vacation in Australia. They will be making Tampa their permanent home. Michael is a 3rd generation self-employed Hauswirth, being the President of Hauswirth Consulting, a firm that provides consulting services to the global defense industry. Erin is employed by IBM and travels the country providing consulting services to their various offices.

# THE LACEY FOOD BANK NEEDS OUR HELP!!

When the weather is warm and the attitudes are carefree, people sometimes forget about the Food Bank and the shelves that were packed full during the holidays become bare.

In an effort to re-stock those shelves, Hauswirth & Sons Insurance Consultants has teamed up with The Lacey Food Bank to raise awareness with a Contest for a Cause.

Contest Rules are simple! For each donated grocery-size bag of non-perishables, you will be entered in a drawing to win an amazing, once-in-a-lifetime prize...

## KEEPING YOUR GARAGE SAFE AND SECURE

We don't give much thought to the safety aspects of our garages and doors, but they're absolutely critical to our home security and well-being. Because most garage doors are solid – that is, you can't see through them from the outside – no one can see what's going on inside either, including theft from your car. Also, because many garages lead directly into the house, the connecting door is a favorite spot of burglars for breaking and entering.

To make it less vulnerable, if you can lock the garage door, do so (whether you're at home or away). The same goes for any secondary entrance and connecting doors into your house. If you're going away for any length of time, unplug the opener motor. Don't hide keys in the garage; instead, leave a spare with a neighbor you can trust. Lock your car when it's parked in the garage and remove the remote opener.

Here are some key rules you can apply in your garage today to keep it safe for yourself and your family:

- Use proper storage to keep sharp items and chemicals safely out of reach.
- Mop up any oil stains, spills, or other slippery hazards.
- Keep the garage door properly maintained, with the remote control and wall switch out of children's reach.
- Please secure all flammables in tightly closed containers. Old rags soaked in chemicals and stored in open containers in the garage have been the cause of huge fires. Wrap them in garbage bags and toss in the garbage to avoid this danger.

"We had gotten very high rates from other companies. Hauswirth & Sons was recommended, so we gave them a shot. My husband and I were strapped for money due to an increase of our closing costs. Geri worked with us as much as possible to give us the coverage we needed at a price we could afford. She made one part of our closing a cinch. Too bad she didn't have control of our loan process. It would have gotten done a lot quicker & smoother. I wish all business people were as **understanding, helpful, & always available for a question** as she was. 'Thank God she's on your team.'"

PS—We always recommend your company to others!
