

REVITALIZATION

# REVITALX<sup>®</sup>

**Intestinal Rejuvenation Formula**  
**Feed your body, heal your gut**

**EATING SHOULDN'T  
MAKE YOU SICK**

**You need RevitalX if you have:**

- Irritable bowel syndrome, Crohn's disease, Celiac disease
- Weight problems
- Sugar cravings
- Low energy levels
- Poor digestion or constipation
- Compromised immunity
- Food allergies, intolerances or sensitivities

## EATING SHOULDN'T MAKE YOU SICK

Pain after eating? Bloating? Cramps and gas? Constipation or diarrhea? Does eating certain foods make you feel exhausted or miserable? These are all cries for help from a poorly functioning "gut". Answer those cries with RevitalX®, a scientifically-formulated, highly nutritious food supplement from Natural Factors for gastrointestinal healing and support.

## REVITALX INTESTINAL REJUVENATION FORMULA

- for chronic digestive problems, diminished appetite or food reactions
- soothing support for the stomach, intestines and colon
- a low allergy potential, low glycemic index, high nutrition supplement
- a gluten free, non-GMO source of vegetable protein and other nutrients

RevitalX can ease, heal and rejuvenate the gut. It provides high quality, potent nutrition without gastrointestinal upset or discomfort. RevitalX heals and detoxifies the digestive tract for overall health improvement. It is also an excellent multivitamin/multimineral supplement and

can be used as part of an “elimination diet” to sort out food allergies, intolerances or other adverse reactions, and as a nutritious energizing snack.

## HEALING THE DIGESTIVE TRACT

Each cell that lines the intestine lives only 3 days before it is replaced by a completely new cell. In their short life, these tiny cells work hard and require a lot of nutritional support. Leaky gut syndrome can result from lack of adequate nutrition and from stresses such as food allergies or reactions, eating junk foods, or taking certain medications. A leaky gut will only heal if the intestinal cells receive sufficient nutrition.

## REVITALX CONTAINS:

- Highly digestible, low /no allergy GoldPeptides™ (non-GMO golden pea protein)
- L-glutamine, a regulator of nitrogen metabolism
- Pantothenic acid, to help reduce allergic reactions
- NAC (N-acetyl cysteine), a gentle liver support and detoxifier
- NAG (N-acetyl glucosamine), which thins excessive gastrointestinal mucus
- Zinc, to heal, modulate enzyme activity, control diarrhea and support immunity
- Antioxidants (vitamins C and E, beta-carotene, grape seed extract and milk thistle) to protect the gut and liver while stimulating detoxification

- Quercetin, an antioxidant that stabilizes cells responsible for allergic reactions; it is often used to help reduce symptoms of food allergies
- Water soluble fibre, for recovery from leaky gut syndrome
- Lecithin for healing damaged digestive tract membranes
- Patented probiotic strain B5A to strengthen immune activity while decreasing adverse reactions to foods

## DETOXIFICATION SUPPORT

RevitalX supports the body's detoxification processes. Glycine, N-acetyl cysteine, and L-glutamine are key liver detoxification nutrients. Dietary fibre acts as a natural "broom" to sweep toxins from the body. Calcium, magnesium, zinc, selenium, folic acid, thiamine and vitamin B6 are also active in detoxifying and healing the body.

## HOW TO USE REVITALX

**1 DAY REVITALIZATION:** when overeating, junk food, upsetting foods or alcohol consumption have upset your intestinal tract, use RevitalX as your primary food for the day (1-3 servings), mixed with water or fresh vegetable juice, or blended in a smoothie. Add flax oil for extra nutrition. Snack on fresh or lightly steamed vegetables and fresh fruit.

**1 WEEK REVITALIZATION:** for ongoing gastrointestinal problems, leaky gut, food allergies, intolerances or reactions. Use RevitalX twice per day as your primary food, with water or juice, or blend it in a fruit smoothie. You can eat a simple evening meal, such as brown rice, steamed vegetables and a small broiled chicken breast, fish, or legumes.

**EVERY DAY REVITALIZATION:** a daily maintenance dose of RevitalX (1 – 2 servings), can support a sensitive gut – or even a healthy one – for long term gastrointestinal health.

**FOR TOTAL CLEANSING AND REJUVENATION:** try Natural Factors' SEVEN DAY TOTAL NUTRITIONAL CLEANSING PROGRAM. RevitalX and Detoxitech together are key components of the Seven Day Total Nutritional Cleansing Program.

## TESTIMONIAL

Dear Natural Factors,

For four and a half years I have battled fatigue, depression, lack of energy, sinus problems, nephritis, and interstitial cystitis. Since I have been using RevitalX<sup>®</sup>, with an elimination diet, moderate exercise and some Natural Factors probiotics, I am as energetic and full of life as I was when I was a teenager! I feel as if ten years have been “lifted” off my body!  
– Warm Regards, E.G.

**Note:** Some people experience mild gastrointestinal upset, gas, and bloating, due to fibre content, when first using RevitalX. Symptoms should subside after a few days. To prevent gastrointestinal upset, start with a half dose and increase to a full dose after a few days.

Available at natural health stores throughout North America.
