3. This first report (the "**Report**") of the Proposal Trustee is made in connection with the motion of Crawmet requesting an order:

   i. pursuant to section 50.4(11) of the BIA, declaring that the period for filing a proposal by the Debtors be terminated;

   ii. appointing A. Farber & Partners Inc. ("**Farber**") as receiver over the properties, assets and undertakings of some of the Debtors and substituting Farber as bankruptcy Trustee of some of the Debtors; and

BACKGROUND

Operations

4 Crate was established in 1931 in Keswick, Ontario and is owned and operated by the third and fourth generation members of the Crate family.

5 At the date of the filing of the NOIs, Crate employed 74 people at the following four marina locations (the "**Marinas**"):

i. 290 The Queensway S., Keswick, Ontario, L4P 2B3

ii. 951A Rue Principale, St.-Paul-Ile-Aux-Noix, Quebec, J0J 1G0

iii. 150 Laguna Parkway, Brechin, Ontario, L0K 1B0

1354 Metro Rd. N., Willow Beach, Ontario, L0E 1F0

6. Crate is the sole operating company among the group of Companies. The remaining Debtors are the owners of various lands in Keswick, Ontario on which Crate operates its largest marina or are holding companies. Crate's other three marina locations operate from leased facilities.

7. Crate is engaged in:

i. selling new and pre-owned boats/yachts up to 60 feet long:

i. from its inventory located at its Keswick and Quebec locations;

ii. by special order directly from the boat/yacht manufacturers (in the case of new boats only);

iii. on consignment for a manufacturer or an individual boat owner;

iv. as a broker in a transaction between individual boat owners; and

ii. providing services to its customers including:

i. removal of boats from the water, winterization of boats (which remains in progress) and storage of boats on land over the Winter;

ii. servicing/maintaining customer boats throughout the year, as required;

iii. placing customer boats in the water in the Spring; and

iv. providing various facilities to boat owners on its grounds.

8 According to Crate's management, the marinas currently hold over 700 boats/yachts belonging to third-party individual owners with an estimated value in excess of $70 million. Crate pays approximately $23,000 per month for various insurance coverages including insurance associated with the services it provides to its customers.

9 It should be noted that the Notice to Enforce, and the relief requested by Crawmet in its motion materials, excludes the Debtors 1382415 Ontario Ltd., 1382416 Ontario Ltd. ((the "**Additional Debtors**") who also each filed an NOI. If the relief that Crawmet is seeking is granted by the Court, then Farber should also be substituted as bankruptcy Trustee of the Additional Debtors.

KESWICK MARINA PROPERTIES

10. Enclosed as **Appendix "C"** to this Report is a schedule of the properties (the "**Property Schedule**") most of which make up the Keswick, Ontario marina. We understand that the Property Schedule was recently prepared by the Debtors' external corporate legal counsel. The Property Schedule is also referenced to a property index map (the "**Map**") of the area.

11. The Property Schedule includes the owner, PIN number and chargee/lienholder in reference to the Map. According to the Property Schedule, Crawmet is a chargee/lienholder in either the first, second or third security position on the properties referenced as numbers 10, 11, 12 and 13 on the Property Schedule.

12. In addition to Crawmet, there are an additional 10 chargee/lienholders listed on the Property Schedule in either the first, second or third security positions. In particular, Dwight Powell Investments Inc. and Dwight Powell are first and second secured chargee/lienholders, respectively, on the properties referenced as numbers 11, 12 and 13 ("**Powell Properties**") on the Property Schedule and Map. The Powell Properties comprise a significant portion of the Keswick marina lands and provide access to approximately 80% of the Keswick marina boat slips operated by Crate. Based on the Property Schedule, Crawmet has a third secured interest in the Powell Properties.

CREDITORS

13. Following its appointment, the Proposal Trustee distributed the NOI to over 170 creditors of the Debtors totalling approximately $30.2 million in secured and unsecured debt. Enclosed as **Appendix "D"** is the list of creditors who received a copy of the NOI.

14. Since the NOI was filed, the Proposal Trustee has had preliminary discussions with various secured /unsecured creditors and boat owners in relation to ongoing operations, cash flow and the proposal.

15 The Proposal Trustee requested a meeting with Crawmet on three occasions to discuss its concerns, however, to date, Crawmet has not responded to the Proposal Trustee's request.

MONITORING

16. Since the date of its appointment on November 14, 2014, the Proposal Trustee has:

prepared, with the assistance of Management, a consolidated cash flow forecast which it intends to file on Monday, November 24, 2014, 10-days from the filing of the NOI;

ii instituted a cash disbursement monitoring program which includes the requirement that all cash disbursements be approved by the Proposal Trustee in advance of payment;

iii. required that all new and pre-owned boat sales be approved by the Proposal Trustee in advance of finalizing such sales; and

iv assisted the Debtors in identifying opportunities to reduce operating costs which are in process of being implemented.

17 Crawmet's motion includes an allegation that, immediately prior to the filing of the NOI, Crate had transferred back to the manufacturer a boat from the Keswick marina valued at approximately $1.0 million and received in return $200,000. The Proposal Trustee has spoken with the manufacturer's in-house counsel, who has indicated that it will address this complaint directly with the Court.

18 Crawmet has also included in its motion material information relating to boats which it claims were owned by Crawmet, and which were sold by Crate prior to the filing of the NOI, and alleges that the proceeds of sale of these boats were not remitted to Crawmet. The Proposal Trustee has not had sufficient time to review the documentation provided by Crawmet with regard to these boat transactions, as the documentation was only

received by the Proposal Trustee, along with Crawmet's motion material, on November 20, 2014 at 12:30 p.m.

19. According to Crawmet's motion material, Crate owes $6 million for accrued unremitted HST. The Proposal Trustee requested more information from Crate's Management with regards to HST. According to Management, the actual amount owing to the Canada Revenue Agency for HST is unknown at this time and further work needs to be done to calculate the amount owing which is in process.

CONCLUSION

20 The Proposal Trustee understands that the Debtors intend to request that the Court adjourn the hearing of Crawmet's motion for approximately one week in order to allow the Debtors more time to review Crawmet's motion material and respond to its complaints.

21 The Trustee also understands that the Debtors' counsel have been in Pheonix, Arizona at a firm conference since November 19, 2014 and have not had sufficient time to review Crawmet's motion material and are sending an agent to the hearing to request the adjournment. The Debtors' counsel informed Crawmet's counsel of this scheduling conflict on November 19, 2014.

22 The Proposal Trustee is of the view that an adjournment will ensure that Crawmet's complaints are still addressed in a timely fashion while the interests of all the secured and unsecured creditors may be considered in the process. In the interim, the Proposal Trustee will continue to monitor the Debtors on behalf of the creditors and the Court.

All of which is respectfully submitted this 21st day of November, 2014.

Crawmet is also the assignee of the following loans (the "**Assigned Spiegel Loans**") extended by Benn Spiegel to the Company:

(v) a loan in the original principal amount of $525,000 payable with interest at the rate of 10% per annum in five (5) monthly blended principal and interest payments of $107,639.52 each on the 25th day of each month commencing July 25, 2014 (Facility E);

(vii) a loan in the original principal amount of $300,000 payable with interest at the rate of 10% per annum in three (3) monthly blended principal and interest payments of $101,704 each on the 20th day of each month commencing September 20, 2014 (Facility G);

(viii) a loan in the original principal amount of $300,000 payable with interest at the rate of 10% per annum in three (3) monthly blended principal and interest payments of $101,600 each on the 4th day of each month commencing October 4, 2014 (Facility H).

The Crawmet Loans and the Assigned Spiegel Loans are hereinafter collectively referred to as the "**Loans**".

Payment of the Loans is secured by a General Security Agreement dated December 22, 2011. In addition, the Facility A loan is also secured by a Collateral Charge in the principal amount of $2,000,000 against the marina property in Keswick, Ontario (the "**Marina Property**") registered in the names of F. S. Crate & Sons Limited, 1282648 Ontario Limited, 1328559 Ontario Limited and 1330732 Ontario Limited, on December 22, 2011, receipted as YR1763076. The General Security Agreement and the Collateral Charge are hereinafter collectively referred to as the "Security".

We are advised by Crawmet that the Loans are currently in default for non-payment. In particular,

- the Facility A and B loan payments due on November 1, 2014 in the amounts of $22,408.14 and $4,208.21 respectively, were not paid.
- no payments have been made on the Facility C loan since the loan was made.
- the amount of US$56,748.35 plus interest is owing on the Facility D loan from the sale of a boat.
- the Facility E loan payments due on September 25 and October 25, 2014 were not paid.
- the Facility F loan was not repaid when due on September 19, 2014.
- the Facility G loan payments due on September 20 and October 20, 2014 were not paid.

In addition to non-payment, the Loans are in default by reason of the Company's failure to pay Canada Revenue Agency substantial amounts owing for unremitted HST.

The failure to pay amounts owing when due and the non-payment of HST constitute events of default under the General Security Agreement and the Collateral Charge. In the event these defaults are not rectified within seven (7) days, the outstanding balances owing on the Loans shall be immediately due and payable, without further demand or notice, and Crawmet will be entitled to exercise all rights and remedies available to it under the Security, at law or in equity. Such steps may include the appointment of a receiver over the property and assets of the Company. Attached as Schedule A hereto is a statement of the Loan balances as at November 3, 2014.

Enclosed please find our client's Notice of Intention to Enforce Security which is served upon the Company pursuant to section 244(1) of the *Bankruptcy and Insolvency Act* (Canada).

Govern yourself accordingly.

Yours truly,
