

# Best Price Guarantee

## South Shore Dream Bath will not be undersold!

We believe that no other company offers the same quality products, professional grade installation, and warranty at the same price as South Shore Dream Bath. If another company provides you with a written estimate that is less than South Shore Dream Bath for the identical product and services, show us the estimate and we will match it, plus give an additional 5% discount for your assistance.

Our Best Price Guarantee is good on all installed products. This guarantee applies to products installed by licensed, insured, and reputable contractors only. The estimate must be for the same quality, quantity, installation, and warranty. This guarantee excludes discontinued, damaged, or close out items. If a competitive estimate is for different brands, models, additional equipment, accessories, or services, we reserve the right to substitute equipment we believe to be equivalent.

We reserve the right to verify another company's estimate before issuing credits for the guarantee. We also reserve the right to limit quantities related to this price guarantee. Our lowest price will be determined after all discount and rebates have been applied.

If you find a current, published, or written price quote lower than South Shore Dream Bath that you feel qualifies you for a discount under this guarantee, please call 1-781-733-5405 or email [Info@southshoredreambath.com](mailto:Info@southshoredreambath.com) . Our guarantee expires 30 days from our quoted date.
