CM's Custom Lawn, Landscape
acquires Premier Construction

CM's Custom Lawn and Landscape of Omaha is broadening its services with the acquisition of Premier Landscape Construction, which specialized in wall and patio construction as well as commercial and residential concrete.

Chuck Monico, president of CM's, said John LaRondeau, Premier's former president, will be operations manager of CM's operating divisions. Monico said his firm has worked with LaRondeau and his company for several years.

CM's Custom Lawn and Landscape, with its office in Bellevue and production facility in Papillion, handles lawn care, landscape and irrigation design and installation and concrete services for commercial and residential clients.
