

Vision. Expertise. Results.

**Microsoft Partner**  
Gold Enterprise Resource Planning

**EPICOR.**  
Gold Partner

*Required Immediately:*

## ***Microsoft Dynamics NAV Implementation Consultant***

*Second Foundation provides relevant industry-specific software solutions for the Financial, Wholesale & Retail Distribution, Manufacturing (including Food and Apparel), and Professional Services sectors. We build on existing business foundations and processes to creatively help a company plan their future and improve cash flow and profitability. We provide clients with trusted guidance and choice through our knowledge of accounting controls, business processes and technology. Combined with a creative and proactive consulting approach, these are the building blocks we use to deliver our focused solutions.*

Join a 20 year culture of achievement through teamwork and learning. Recognized as a Microsoft Dynamics Partner of the Year in 2008 and a regular President's Club member, we provide value-based products and services based on client needs. You will thrive in a stable employment environment with room for growth and development.

We are looking for **NAV Implementation Consultant** to join our Dynamics NAV team:

### **NAV Implementation Consultant:**

Require 3+ years of NAV Implementation Consultant experience, a University or College Degree/Diploma in business is preferred; previous ERP software experience, sound accounting knowledge and SQL knowledge will be beneficial.

- Must be able to proactively provide onsite consulting and implementation services for clients on business and technology issues
- Must be able to provide hands on training and setup of NAV software experience is a must
- Possesses functional expertise in the financial or distribution or manufacturing industries
- Possesses some NAV development skills
- Possesses at least three years of hands-on software implementation experience
- Some overnight travel with own vehicle is required
- Canadian Citizen or Landed Immigrate
- Clear effective proactive communicator
- Possesses a positive, proactive, helpful attitude
- Responsive and client focused
- Takes pride in documenting all work performed
- Possesses a "get it done" attitude
- Travel with own vehicle is a requirement
