# TEAMWORK

*runs in the family.*

**Heather Borden**, in the words of her peers, owns her job. Her ability to get the job done without being closely supervised has made her one of the most trusted members of her team. She's also loved by the people she manages, who are made even more effective by the onus Heather puts on teamwork. If you need staffing, give us a call. We've got plenty of team players like Heather ready to help your business succeed.
