# DEDICATION

*runs in the family.*

**Nicole Turner** handles it all. As an On Site Employee Specialist, she takes care of payroll, attendance, coaching, terming, and interview receptions as well as any other project that comes her way. She stepped up to the plate taking on additional responsibility prior to the hiring of an additional management role, making sure nothing fell between the cracks during the transition.

If you need staffing, give us a call. We have lots of dedicated people like Nicole ready to take your business to the next level.
