FIND HIGHLY SKILLED CANDIDATES

With Our Assessment Services

We understand that investing in unqualified talent can cost your business time and money. That's why our experienced recruiting professionals thoroughly research and screen each candidate so you can invest in the right talent from the start.

Our testing and assessment services hone in on the key areas for each position that can make or break your team. We evaluate candidates with the following objectives in mind:

- Match the right people to the right job
- Maximize employee productivity
- Reduce turnover costs
- Develop benchmarks for positions
- Identify and develop leaders
- Enhance teamwork

Trust MAU Testing & Assessments to identify the right person for your specific position criteria.

MAXIMIZE YOUR TALENT POOL

With Our Recruiting Partners

We work with other top recruiting companies around the world to significantly increase our talent pool. Through strategic partnerships with Top Echelon, The National Personnel Association (NPA), Inner City Personnel Associates and CN Talent Center, we have access to a greater number of candidates to ensure that your business receives the most highly skilled applicants with the right industry specializations.

Whether your business is in need of a new CEO or a contract professional, rely on MAU for your strategic professional recruiting needs to bring top talent to your business.

“I have utilized the professional staffing specialists at MAU since 1990, and they have always met or exceeded my requirements for qualified individuals...the management team has been responsive and innovative in assisting in solving critical needs we have had over the past 10 years.”
