PERSEVERANCE

runs in the family.

Ana Abrego sets the bar high. In the recent Augusta icestorm, as the only technician on her site, Ana took the initiative and kept it running, avoiding major problems. When others were unable to get to work, she stayed the night and resumed her duties the following morning. Ana stepped up, and never complained about carrying the team in their absence.

If you need staffing, give us a call. We have lots of leaders like Ana ready to help your business succeed.
