Home to Home Thrift Store Donation Guidelines

We ask that you keep the following in mind:

- Donations must be clean, usable, working and in good condition.
- Separate clothing from other goods.
- Pack donations in sturdy bags or boxes that can be easily lifted by our volunteers.
- Call ahead about furniture donations as we have limited storage space. Furniture must be in good repair and should be clean, without tears, odors, pet hair or scratches.
- Remove any pricing stickers left over from garage sales.
- Please respect our right to refuse items that we cannot sell. This minimizes the additional cost we must incur to have items hauled away.

Due to state and national regulations and safety issues, we are unable to accept:

- Clothing with personal names or name tags
- Air conditioners
- Air mattresses, mattresses and box springs
- Most electronic equipment
- Children's items, such as toys, cribs, strollers and car seats.

If you are unsure about a donation, please call the store at (952) 873-6901.
