

# WE MAKE POOL & SPA WATER TESTING FAST, EASY AND ACCURATE

AquaChek, the world's #1 brand of pool & spa test strips, introduces Hach Pocket Pro Testers to their line of pool & spa water testing products.

Water analysis has to be right. You deserve complete solutions you can be fully confident in. The Pocket Pro and Pocket Pro<sup>+</sup> Testers provide an efficient way to test the water with reliable results.

## **POCKET PRO TESTERS:**

For precision accurate testing the large LCD display, intuitive user interface and AAA batteries make Pocket Pro the easiest to use tester for many different water testing applications.

## **POCKET PRO<sup>+</sup> TESTERS:**

The Pocket Pro<sup>+</sup> series offers all the benefits of the Pocket Pro testers, plus convenient LCD backlight and replaceable sensors.

Tests for:

- pH
- Low Range Conductivity
- High Range Conductivity
- Low Range TDS
- High Range TDS
- Salinity
- ORP
- Temperature

# The Pocket Pro and Pocket Pro<sup>+</sup> superior probe and calibration diagnostics deliver confidence in your results – every time.

Product #	Description
9531000 E	Pocket Pro, pH, tester
9531100 E	Pocket Pro, ORP, tester
9531200 E	Pocket Pro, TDS low range, tester
9531300 E	Pocket Pro, TDS high range, tester
9531400 E	Pocket Pro, Conductivity low range, tester
9531500 E	Pocket Pro, Conductivity high range, tester
9531600 E	Pocket Pro, Salt, tester
9531700 E	Pocket Pro, Temp, tester
9531701 E	Pocket Pro, Temp, Repl. sensor
9532000 E	Pocket Pro <sup>+</sup> , pH, tester
9532001 E	Pocket Pro <sup>+</sup> , pH, Repl. Sensor
9532100 E	Pocket Pro <sup>+</sup> , ORP, tester
9532101 E	Pocket Pro <sup>+</sup> , ORP, Repl. Sensor
9532700 E	Pocket Pro <sup>+</sup> , Multi 1, Cond/TDS/Sal, tester
9532701 E	Pocket Pro <sup>+</sup> , Multi 1, Cond/TDS/Sal, Repl. Sensor
9532800 E	Pocket Pro <sup>+</sup> , Multi 2, pH/Cond/TDS/Sal, tester
9532801 E	Pocket Pro <sup>+</sup> , Multi 2, pH/Cond/TDS/Sal, Repl. Sensor
