

We are Happy to Announce an Expansion!

I am happy to announce the addition, Michele Piko, our new Client Service and Operations Coordinator. Michele's primary responsibility is to insure client satisfaction. You could say she is the person behind the scenes. She manages all the operational aspects of client engagements and acts as the "help desk" for client questions. She is an integral part of managing the work flow for client projects and is a key interface with clients. Along with project management she is Braveheart's marketing coordinator and functions in a sales support role.

Along with hiring Michele, we have moved to a more spacious office to accommodate our growing staff. Michele's contact information is: mpiko@braveheartsales.com and direct phone 614-396-6949.

We are now located at:
7100 North High Street, Suite 207
Worthington, OH 43085

Michele's contact information is:
mpiko@braveheartsales.com
(614) 396-6949

Thank you,

Gretchen Gordon
Founder & Sales Team Transformation Expert
