After a Royal Wedding, it's time to find a vacation cottage or second home! William and Kate can find the perfect place here in America.

AmeriFirst Home Mortgage has [branches in several states](#) with great vacation and second-home properties. The Michigan-based mortgage banker is extending the offer to find a mortgage “fit for a king” in any of the states it services, for Prince William and soon-to-be Princess Catherine (or Duchess Catherine, if that is the title she takes).

Since the couple would be [first time home buyers](#) in America, they could take advantage of an [FHA loan](#) in Saugatuck, along the shore of Lake Michigan. If Prince William would like to live in the rural hills of Tennessee, the newlyweds could apply for a [Rural Development loan](#). The happy new couple could also simply look into conventional lending, since AmeriFirst deals with traditional mortgages and services these loans in-house. This could put the couple in a great home on the Gulf of Mexico in Florida.

AmeriFirst Home Mortgage would like to extend a sincere “**congratulations**” to Will and Kate (soon to be William and Catherine, Duke and Duchess of Cambridge).
