[AmeriFirst Home Mortgage](#) offers real estate agents and licensed Realtors in Branch County a Continuing Education Course highlighting the renovation loan program [FHA 203k](#). The **203k program** turns “hard to sell” Michigan properties like **fixer-upper homes** and **foreclosures** into desirable deals once again.

[The FHA 203k loan](#) covers renovations, repairs, rehabilitation and home improvements based on the future-value of the home. This allows the buyer to make any number of changes to the house before moving in. The 203k program is great for home buyers and real estate professionals. It’s also a win for entire communities. Neighborhoods full of homes that need a little TLC can be transformed into popular areas once again.
