The Renovation Funding Experts

Joseph P. Daly of AmeriFirst Home Mortgage Awarded Real Estate's Prestigious 203k Specialist™ Designation

[AmeriFirst Home Mortgage](#) is proud to announce that [Joseph P. Daly](#) has completed the real estate industry's most comprehensive training in the use of the U.S. Government's [FHA 203k Home Purchase and Renovation Loan](#) program. With this designation, Daly becomes a member of [REbuildUSA](#), a nationwide organization of real estate, lending and home improvement professionals, working in partnership with Lowe's.

"The FHA 203k Renovation Loan offers tremendous opportunities for many Americans to enjoy great prices on homes today," explains Daly, "yet there is very little awareness of this program and the power it offers in our current economy."

Daly also explains, "With the amount of older housing stock, and the increased number of homes on the market that need improvements, make this the Ideal financing option to purchase and renovate a home all in the same loan."

As REbuildUSA's home improvement partner, Lowe's assists in identifying the scope of work and relative costs and then coordinates the actual renovation activities through its nationwide network of licensed installers.

Joe has been active in mortgage lending for 20 years and is currently AmeriFirst's National 203k/Renovation Lending Program Manager. Joe is considered to be one nation's leading experts on the FHA 203k loan. Joe can be reached at 513-602-1878 or at jdaly@amerifirst.com.
