

**PAPERLESS DELIVERY OF COMMUNICATIONS FOR COMMERCIAL INSUREDS-
TERMS AND CONDITIONS**

At Clarke & Sampson we would like to offer you the ability to receive policies and notifications electronically. Many clients are requesting the delivery of their policies electronically rather than the paper format. As a benefit to our clients and to the environment we are offering the option of electronic delivery to all clients.

This change in practice requires your permission for us to be able to send these documents of importance to you. Also, please list any other people below who you feel are also appropriate to receive the disclosed information that we will be sending you.

You may at any time request that we resume communications through the delivery of paper documents. This request will be effective at the conclusion of your policy term.
