

How To Add An Image To Your Online Ordering Launch Page

Log into Letsget Web Portal

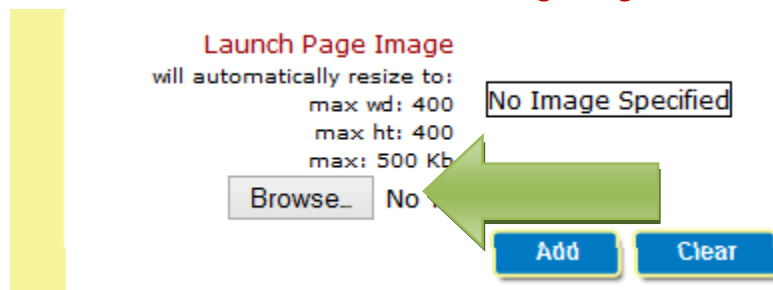

<https://admin.letsget.net/Private/Welcome.aspx>

If you need your login information again, please call 800-750-3947 or log a support ticket at <http://www.granburyrs.com/support/login.php>

1. On the left hand navigation menu click on **Account**.

2. On the next screen scroll down to **Launch Page Image** and click the browse button

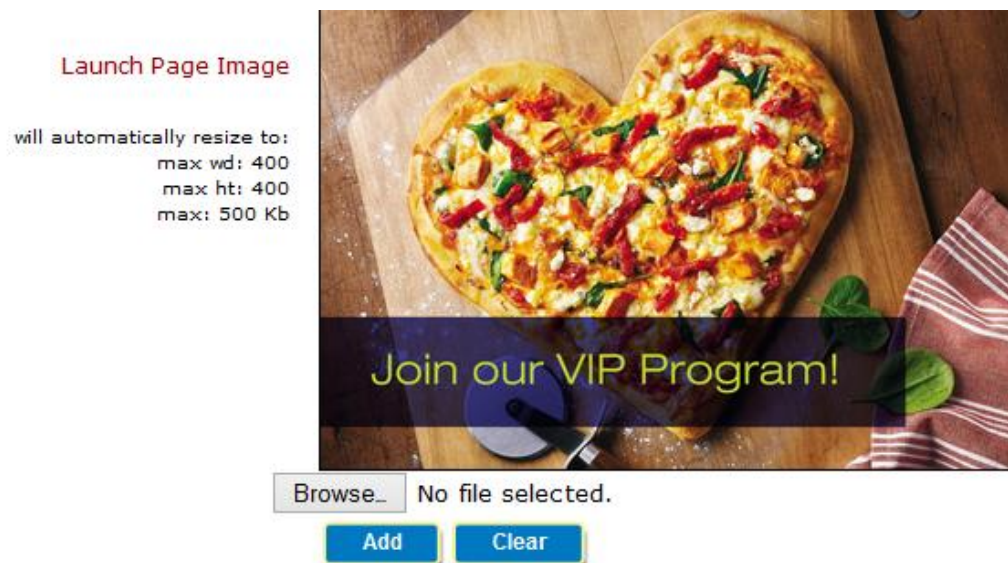

3. Browse to the folder that has the picture you want to use, select it, and click the Open button.

4. Click the **blue Add** button

5. The page will then refresh and return to the top. Scroll back down to **Launch Page Image** and you should now see the image you selected there.

6. Scroll to the bottom of the page and click the **blue Save** button.

BEFORE:

Granbury SOLUTIONS

Granbury Solutions
201 N Starnes St
Grapevine, TX 76052
800-750-3947

Hours:
MTuWThSu 7:00 AM-9:00 PM

IMPORTANT NOTES

1. Any graphic you upload LetsGet will automatically resize it to a maximum size of:

max wd: 400
max ht: 400
max: 500 Kb

2. If the image you upload sticks outside the main container of your online menu, you will either need to:
 - A. upload a smaller image or
 - B. you will need to widen the OLO menu container to accommodate your image. If you do not know how to do this, you will need to contact online ordering support for assistance.
3. If you have multiple locations set up as separate accounts in LetsGet, you will need to upload a graphic to each account. Note, you can upload a different graphic to each location's account, if you wish.
4. If you have multiple locations set up in LetsGet as franchises, the graphic you set under the main account will show up on the OLO of ALL your locations. If you want to have a different graphic for a franchise location you can go to **Locations and Menus > Edit**. Scroll down **Location Specific Launch Page Image** follow the same procedure as above. The image you add here will override the main image for this location only.
