

NEW RELEASE | BOOKS | MADE EASY

iPhone 5C, 5S and 6: Made Easy

Perfect for new iPhone users, this **informative guide** is packed with **expert advice** and clear step-by-steps, helping you get the most out of your smartphone.

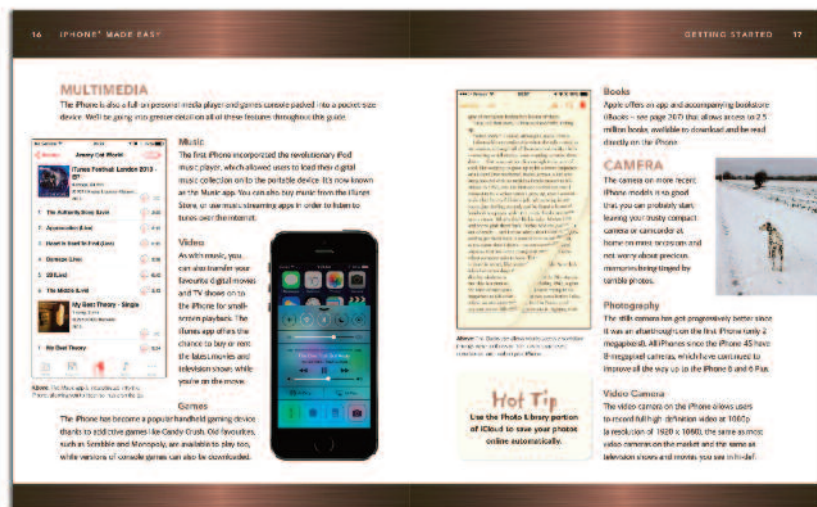

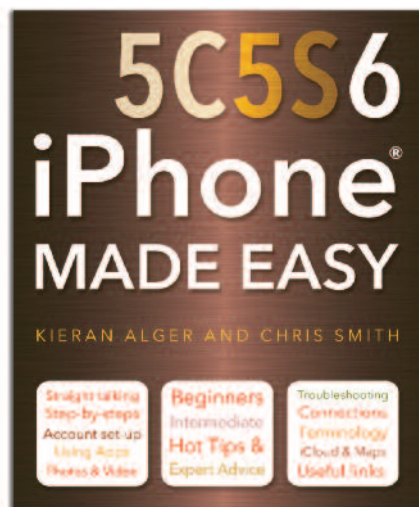

Search for: **expert advice, made easy, iphone help**

This is the perfect title for anyone new to the Apple iPhone, featuring detailed sections covering everything from the **basics** up to more advanced uses, plus chapters on new features such as **iCloud** and **AirDrop**. Our expert advice is delivered via **helpful bullet points** and clear step-by-step instructions, helping inexperienced users make the most out of this advanced piece of technology. We cover everything, from **sending emails** or taking photos, to sharing files with friends and **syncing your music** with your computer.

Our authors are experts on cutting-edge technology: **Kieran Alger** is the editor of **T3.com**, one of the UK's leading consumer technology websites and has written on technology for a variety of national and international media outlets. **Chris Smith** is a **technology journalist**, writer and videographer for some of the UK's most respected publications, such as *T3*, *The Gadget Magazine* and TechRadar.com.

Packed with simple, **jargon-free advice**, helpful images and **clear step-by-steps**, *iPhone 5C, 5S and 6: Made Easy* is the perfect title for anyone looking to get the best out of their smartphone.
