

Bibles

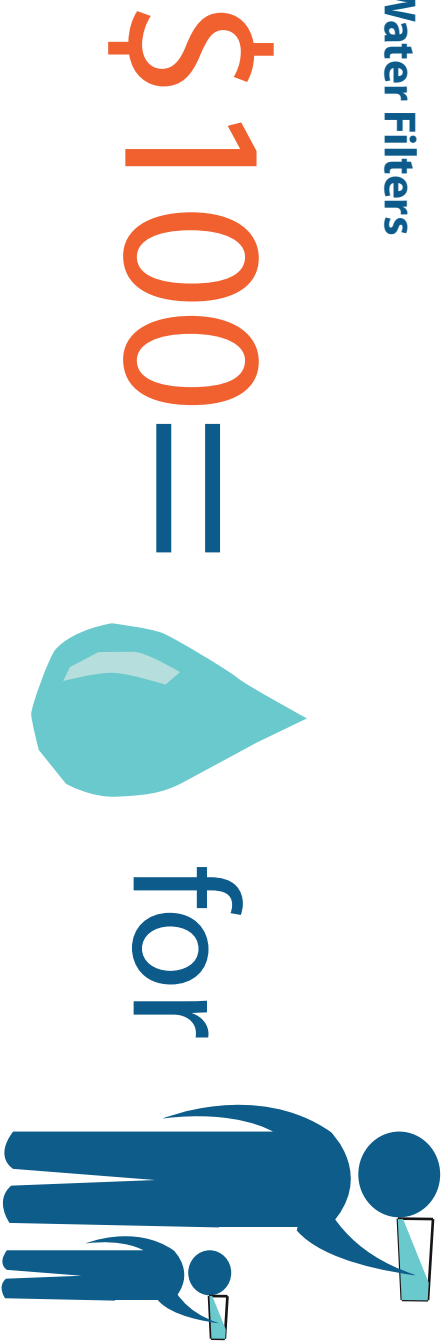

Our Pastors have a heart to share the gospel with everyone they minister to. By equipping Pastors with Bibles they can always be ready to share. Our Pastors are frequently requesting additional Bibles to distribute to the people in their neighborhoods. Help get The Word out!

Food Bank

Its hard to plan for the future when you are hungry today. Each month our Pastors meet parents who are struggling to meet the needs of their kids. It costs approximately \$100 to feed a typical size family for a month. Help provide a family in need with food for a month!

Water Filters

Contaminated water is the number one cause of preventable deaths in the world. Giving a water filter to a family in need keeps them healthy, happy, and able to concentrate on building a future. Help a family get clean drinking water!

*All donations allocated for Project Hope will be used for that purpose. At times our pastors may experience a greater need in one program over another, and in that case funds may be transferred appropriately. We promise to use your gift to meet the spiritual and physical needs of those we serve in the best way possible, as identified by the local pastors.

Project Hope equips our pastors to continue ministering to families long after their house has been completed. By meeting direct needs of the families, you help them to survive their difficult living conditions. Since all Project Hope funds are distributed directly by the pastors, it gives them another tool for serving the families in their neighborhoods. These resources equip our pastors to help families whom Amor can't build for in the current year, expanding their ministry.

Project Hope has 5 areas of focus: Food Bank, Back to School Backpacks, Bibles, Blankets, and Water Filters. Project Hope is funded by generous donations from our participants, as well as the proceeds from the Amor Store and our work groups' campfire offerings.

2013 Project Hope Distributic

Backpacks

In the areas that Amor serves, getting an education is not cheap. Many parents not only pay a school fee and purchase uniforms, but are also required to provide all the necessary school supplies for each of their children. This is often a burden on a family who only earn's enough money to pay for food .

Blankets

When winter sets in, many families that Amor serves, struggle to keep their children and themselves warm and healthy. Our Pastors appreciate having blankets available to give out because it is a simple way to meet a basic need.
