Yesh Shabbat is a premier summer educational experience for Jewish students. Choose courses with expert instruction in the arts, cooking, business, fashion, and sports or a pre-college program at Penn. The programs combine Shabbat and Kashrut with college living to create the ideal setting for Modern Orthodox youth.

Yesh Shabbat gives you a lot of choices and scheduling flexibility so you can focus on the areas that interest you most, try new things, or do both. It's all part of the Julian Krinsky experience.

“Yesh Shabbat was an unexpected change from regular sleepaway camp. I got to do what interested me and I met fantastic kids from all over the world.”

- **Pre-College Programs at Penn (ages 14-18):** Attend a University of Pennsylvania summer program in medicine, art, architecture, international affairs and more!

JEWISH LIFE AT HAVERFORD A Modern Orthodox community, Yesh Shabbat is a comfortable environment where Jewish students can live, learn and daven with their peers. It is an opportunity to grow your knowledge and understanding of Judaism. Yesh Shabbat provides memories that last far beyond the summer including a unique and memorable Shabbat experience.

- **Shabbat** — We are a Shomer Shabbat program. While we respect and cherish individual family customs, we have a uniform and halachic standard of observance. Every student is expected to attend Shabbat Tefilah services, led by our rabbi, counselors and students. During the afternoon, students can participate in a wide variety of Shabbat appropriate activities.
- **Kashrut** — Our dining facilities are Glatt Kosher under orthodox rabbinical supervision with a large variety of meals offered daily. Our catered Shabbat dinner is a highlight of the week.
- **Tefilah** — Daily minyanim are held in our Beit Knesset.
- **Torah Study** — Throughout the week, students have the opportunity to take part in hands-on exciting and engaging Torah-related discussions and seminars moderated by our rabbi, director and staff.
- **Chesed Mitzvah** — Students participate in projects to strengthen their connection with both the local and Israeli Jewish communities. Our Chesed Mitzvah program allows students to make a contribution through hands-on service experience, learning and advocacy.
